CHAPTER 7 CHAIR (2010)

ISRCPAC

Dear Fellow Respiratory Care Practitioner:

Every professional group involved in health care knows that the government affects its future. Whether it be through regulatory acts, licensure or reimbursement; all health care professionals have felt the governments impact. As members of the respiratory care profession, we must make sure that we have an avenue in which we can influence the decisions that are being made by our political leaders. To be effective in Springfield, it is essential that we have a strong political action committee.

To this end, the Illinois Society for Respiratory Care Political Action Committee (ISRCPAC) was established.

To be effective, the ISRCPAC needs the financial support of the ISRC members. The ISRCPAC relies on you, its members, for donations and support. The monies which you contribute to the ISRCPAC are used to support legislation which is favorable to the ISRC. Our campaign donations, given through the IRSRPAC, keep the State Representatives and Senators aware of the Respiratory Care Profession.

You can help keep the ISRCPAC's voice strong and ensure that the political leaders are knowledgeable about the concerns of the ISRC by making contributions to the ISRCPAC.

Send your donations to either:

**ISRCPAC
c/o Geraldine Roman
10010 Van Vlissingen
Chicago IL 60617**

**ISRCPAC
c/o Charles Miles

Make checks payable to ISRCPAC.

Thank you in advance for your generous support.

Sincerely,

**Geraldine Roman
Charles Miles
Co-Chairpersons**

Contributions or gifts to the organization are not deductible as charitable contributions for federal income tax purposes. A copy of our report is filed with the State Board of Elections and is available for purchase from the State Board of Elections, Springfield, IL.
