Illinois Society for Respiratory Care Chapter 5 1st Annual Conference

Friday, March 9, 2018

8:30am-5:00pm

Memorial Center for Learning
and Innovation at Memorial
Medical Center

Conference Goal

To provide an overview of the most up-to-date evidence-based medicine to treat pulmonary patients with a variety of conditions and problems.

Conference Objectives

- Discuss and review the 2017 COPD GOLD updates
- Review common COPD medications that patients may be discharged to home on
- Educate on the philosophy of palliative care and how that can relate to the RT
- Discuss ventilator weaning modes and strategies; discuss best practice for ventilator liberation
- Educate on Lung Volume Reduction Surgery and discuss the purpose and goals of the procedure
- Update on recent strategies to treat sepsis

Planning Committee

Becky Renton, BHS-RT, RRT; Gina Hoots, MS, RRT-ACCS, RPFT; Midge Seim, MS, RRT-NPS

Parking

Free parking is available in the MCLI parking garage, park on RED LEVEL 3.
