

## **Respiratory Branch Manager**

Looking to become a part of something **BIG?**!

If you have a passion for and commitment to **taking care of the child**, then join our new **Thrive Squad** in Milwaukee!

We are looking for a Respiratory Branch Manager to lead our Squad. Being an accomplished Respiratory Therapist who holds their WI RCP, RRT and NPS credentials this person will drive the clinical excellence and success of our new branch. Alongside our Outreach team, they'll also develop, grow and maintain referral relationships, and will have a key role in the success of our new Milwaukee branch, The Respiratory Branch Manager will have ample opportunities to put their experience and knowledge to work in growing the PHS business in WI.

We've been a leader in pediatric home care for nearly 30 years and have provided Minnesota and western Wisconsin with unparalleled service to medically complex patients, enabling them to thrive at home. Now we're ready to bring that to the entire state of Wisconsin! Join our team and help grow our service by opening a new branch in Milwaukee.

### **Why choose PHS?**

- You can visit our website to meet our patients
- We are a Top 150 Workplace, and have been, every year since 2011
- Minimum pay is 84k per year, more for the right experience
- Awesome benefit package!
- Our unique company culture, check us out on Facebook and Instagram

### **Responsibilities Include:**

- Plan, develop and direct all operations of Milwaukee branch
- Supervise assigned staff
- Develop and cultivate relationships with external resources, stakeholders and partners to drive referrals
- Rotating On-call
- Other duties

### **Qualifications:**

- Bachelor's Degree from a four year college or university (Master's degree a plus, but not required); or equivalent combination of education and experience
- Sales experience is strongly preferred
- Respiratory experience, specifically in home health and/or pediatrics is a plus
- Holds WI RCP, RRT and NPS credentials
- 8+ years of experience in the healthcare industry

- Excellent interpersonal and communication skills
- High level of initiative and accountability
- Excellent Analytical Skills

Apply online and please include cover letter, resume and salary requirements.
