

Licensed Respiratory Therapist

Looking to become a part of something **BIG**?!

If you have a passion for and commitment to **taking care of the child**, then join our new **Thrive Squad** in Milwaukee!

We've been around for nearly 30 years, and have provided Minnesota and western Wisconsin with unparalleled service to medically complex patients, enabling them to thrive at home and now we want to bring that to the entire state of Wisconsin! Join our team and help grow our service by opening a new branch in Milwaukee.

We are looking for 2 full time Respiratory Therapists to join our elite Thrive Squad.

What you do:

- Make a difference while utilizing your clinical skills
- Play an integral role in the transition from hospital to home
- Collaborate with physicians to train families and patients on equipment
- Manage and follow your own patient caseload
- Develop personal, long-term relationships with your patients
- Hold the following: WI RCP, BLS (obtain RRT & NPS within 2 years)
- Rotating on-call

Why choose PHS?

- See for yourself, you can meet our patients on our website
- We are a Top 150 Workplace, and have been, every year since 2011
- Minimum pay is 84k per year, more for the right experience
- Awesome benefit package!
- Our unique company culture, check us out on Facebook and Instagram

Please include cover letter, resume and salary requirements with your application.

Pediatric Home Service is an equal opportunity employer; we are committed to affirmative action and equal employment opportunities for all regardless of protected veteran status, race, color, creed, religion, national origin, sex, sexual orientation or identity, disability, age, marital status, familial status, membership or activity in a local human rights commission, or status with regard to public assistance.
